

A login window with a light gray background. At the top center is a small icon of a person with a green shirt and orange head. Below it, the text "Nombre de usuario:" is followed by a text box containing "luis". Below that, "Contraseña:" is followed by a text box containing "asd01". At the bottom center is a button labeled "Inicio".

El programa tiene un inicio de sesión para cada usuario.

The main window is split into two panes. The left pane shows the login form again, but with a green checkmark icon and the text "Inició correctamente" below the password field. The right pane contains a form for entering material data. It has a "Cantidad" field with a value of 1, a "Tipo de sala" dropdown menu with "Sofia" selected, and a "Material" dropdown menu with "Curri" selected. Below these are two empty vertical text boxes. At the bottom of the right pane are two buttons: "Enlistar" and "Guardar".

Al iniciar sesión el programa abre la ventana donde se ingresaran los datos del material fabricado.

The main window is the same as the previous one, but the "Tipo de sala" dropdown menu is open, showing a list of options: "Sofia", "Sofia chica", "Sofia especial", "Panama", "España", "España chica", "Italia", and "Francia". The "Cantidad" field now shows a value of 8. The "Guardar" button is visible at the bottom right of the right pane.

Al seleccionar un elemento del combo box y al dar Enlistar se pasara como una lista y al dar guarda los elementos quedaran guardados .
